*Re: Appeals Process Initiated for
December 2010 Hearing
ACCET ID # 1184*

Dear Dr. Cho:

This letter acknowledges receipt of your notice, dated September 20, 2010, to appeal the denial of reaccreditation by the ACCET Accrediting Commission issued to you in its letter dated DATE. In accordance with ACCET Document 11 – Policies and Procedures of the Accrediting Commission, your notification stays effectuation of the referenced adverse action and your accreditation remains in effect pending review by an ACCET-designated Appeals Panel, which will be scheduled just prior to the December 2010 Commission meeting.

Please note, however, that failure to submit the written basis for your appeal within sixty (60) days (no later than **November 5, 2010**) of your receipt of the original notification letter, will result in automatic reinstatement of the Commission's action and immediate loss of accreditation. The Appeals Panel hearing is tentatively scheduled for the morning of Tuesday, November 30, 2010, at the ACCET office in Washington, DC. The exact date and time, including the names of the Appeals Panelists selected by the Chair of the Accrediting Commission, will be forwarded to you at least two weeks prior to the meeting date.

If you need further guidance or clarification on the process in the interim, please contact me at your earliest opportunity.

Sincerely,
